In partnership with our friends and supporters, GWAC Foundation, Inc. and the Greater Washington Area Chapter Women Lawyers Division, National Bar Association (“GWAC”) have set an ambitious goal to raise \$100,000.00 to support, among other community activities, our 22nd year of mentoring elementary school girls in Washington, D.C. and recreational therapy programs for senior residents at the Washington Center for Aging Services.

We hope that you will join our efforts to build the dream of a better future for our children, care for our seniors, serve our community and support our aspiring young attorneys by participating in this event. Your presence will support the Foundation in its work throughout the Washington DC Metropolitan Area community. Please help us to make this event a success.
